Hi Chip. That works for us (it is the same location we've had previous Milestone meetings so our folks should be familiar with the security issues).

Thank you,

Bob

Jen - thanks for checking. We have located (and tentatively reserved) a room in the Portland Federal Building - Room 315 (corner room) in the Edith Green Wendell Wyatt Federal Building, 1220 SW Third Avenue. We have a morning meeting downtown so it may work better than the airport. The downside is going through building security - attendees will need ID. If that works for the LWG we can confirm and get the word out.

	Subject Location for Milestone Meeting - Wednesday November 12th

Good afternoon Chip,

During the Portland Harbor Managers meeting last week you had mentioned that we needed a location to hold the Milestone meeting the afternoon of Wednesday November 12th.

I wanted to follow up to see if you have reserved a location since we last talked.

If not, I have located an available conference room at the Portland Airport. Would you like me to reserve this conference room for the Milestone meeting?

Please let me know as soon as possible so that I can confirm the reservation. At that time I will forward you the specific information.

Thank you,
